

# TEMPERATURE E PIOVOSITA' NEL MONDO

Legenda: per ogni mese dell'anno sono indicate: **—** nella riga superiore in neretto la media delle temperature massime e in chiaro quella delle minime; nella riga inferiore in chiaro i mm di pioggia e in neretto i giorni di pioggia nel mese durante i quali è caduta almeno 1 mm d'acqua. Per i trekking in alta quota e per le salite su ghiaccio e neve si dovranno considerare le condizioni di alta montagna.
